As a cure for rheumatism Chamberlain's Pain Balm is gaining a wide reputation. D. B. Johnston of Richmond, Ind., has been troubled with that ailment since 1852. In speaking of it he says: "I never found anything that would relieve me until I used Chamberlain's Pain Balm. It acts like magic with me. My foot was swollen and paining me very much, but one good application of Pain Balm relieved me. For sale by the Tombstone Drug Store."

The new confectionery store at Fly's photograph gallery has opened for business and solicits the patronage of the public. A well selected stock of choice fresh candies including the best of the confectioner's art are to be found in the candy cases and sold at reasonable prices. Call and try a box.

My son has been troubled for years with chronic diarrhoea. Sometimes ago I persuaded him to take some of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using two bottles of the 25-cent size he was cured. I give this testimonial, hoping some one similarly afflicted may read it and be benefited. —THOMAS C. BOWER, Glencoe, O. ## OFF FOR YUMA

### Wiley Morgan and a Mexican Taken to Yuma.

This morning Sheriff White left with two prisoners for Yuma who were sentenced to penal servitude at the territorial penitentiary at the recent session of court.

The prisoners were Wiley Morgan who was found guilty of the murder of John Duncan at Hookers Hot Springs. Morgan was sentenced to 20 years at Yuma. The jury returning the verdict of guilty in Morgan's case recommended the prisoner to the mercy of the court and a leniency was shown in the sentence. An appeal has been made to the supreme court for a new trial but meanwhile Morgan will be confined in the penitentiary.

The other prisoner taken was a Mexican named Helaro Dalgado who received a sentence of three years at Yuma for the crime of robbery committed at Bisbee. Morgan appeared quite haggard and worried but on leaving he bid his fellow prisoners in jail and the court house officials goodbye expressing the hope of a new trial and ultimate acquittal. The prisoners were securely handcuffed and guarded.

#### Story of Slave

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D Williams, of Manchester, Mich. tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by the Tombstone Drug Store.

**Output of the Klondike.**  
No one will ever know exactly how much gold was taken from the Klondike fields the past season. Since the government imposed a royalty, the miners have adopted all sorts of ruses to evade the law. It is rather difficult to dodge taxes but it is more difficult to dodge a bad cold and the grip at this time of year. When the system is weakened by such attacks, the best medicine to take is Hostetter's Stomach Bitters. This remedy builds up the system. Besides regulating digestion, it overcomes constipation. It is good for the kidneys and liver, too, stimulating these organs into the proper performance of their function. Nothing is so good for malaria.

**An Important Discovery.**  
To make it apparent to thousands, who think themselves ill, that they are not afflicted with any disease, but that the system simply needs cleaning, is to bring comfort home to their hearts, is a positive condition, is easily caused by using Syrup of Figs. Manufactured by the California Fig Syrup Co. only, and sold by all druggists.

## LAWTON'S FUND

### An Appeal for Contribution For the Family

The following communication was received at this office yesterday: "Headquarters Department of California, "San Francisco, Dec. 23.

"The adjutant general of the army has appointed me, as the representative of the war department, to receive contributions from the people of the Pacific coast for the benefit of the widow and children of the late Major General Henry W. Lawton, killed in action before San Mateo, Philippine Islands, Dec. 20, 1899, and I respectfully solicit your assistance in making the donations from the coast a generous one.

"The history of General Lawton's splendid military career is too well known to require recounting here. His life has been one of devotion to the military service, and he fell in battle while defending his country's flag.

"His widow and four children will be left in strained circumstances unless the mortgage covering his orange grove at Redlands, California, be liquidated.

"I am confident that the patriotic and grateful people of the Pacific coast will respond generously to this most worthy object, and that enough money will be raised, not only to pay the mortgage, but leave a substantial margin in addition for the use of the family.

"Remittances should be sent to the undersigned at army headquarters, San Francisco, which will be acknowledged by letter and through the columns of the newspapers. The Nevada Bank of San Francisco has been designated as the depository for the fund.

"Very respectfully, "WM. R. SHAFER. "Major General U. S. Volunteers."

#### Bismark's Iron Nerve

Was the result of his splendid health, indomitable will and tremendous energy are not found where Stomach, Liver, Kidneys and Bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New Life Pills. They develop every power of brain and body. Only 25c at Tombstone drug store.

The telephoto attachment can be used with any double lens of standard make. Amateur photographers who expect to take "snap shots" at the Paris exposition in 1900 will have to pay for the privilege. A charge of 50 centimes will be made.

Flashlight powders are not particularly dangerous, when handled with care. Do not place them near inflammable draperies, however, or take any risks with them whatever.

The fad of the day seems to be framing of one's photographs in special frames of black oak. A frame manufacturer told me last week that his business with amateur photographers had grown to be enormous, and that practically all of it was on the narrow black oak or chestnut frames that set any black and white print off beautifully. These frames are cheap, and they make a real wall ornament out of a print that looks insignificant when simply mounted on a card.

## CHRONIC MALARIA

Differ materially from ordinary chills and fever. It is the result of repeated acute attacks. The liver and spleen are principally affected. They act as storehouses for the malarial poison and the blood takes it from them. The poison must be driven out of the system. HUYDAN will eradicate every trace of it. HUYDAN will destroy the action of the poison and eventually drive out the last particle of it from the system. In addition to this, HUYDAN will restore the lost appetite. It will build up the weakened and new blood. The pains in the bones will disappear. The befuddled brain will become clear. HUYDAN will do all this and make you well. HUYDAN has cured others and it will cure you. We describe the symptoms. Study them carefully. They are yours. Do not delay long, or but take HUYDAN now and you will be cured.

## HERE ARE YOUR SYMPTOMS:

**A CONSTANT HEADACHE AND TROUBLED BRAIN.** The malarial poison is circulating in the brain. HUYDAN will drive it out. HUYDAN will purify the blood and the brain will receive it in a pure state. Your headaches will disappear and your mind will become clear.

**A PALE OR YELLOWISH COMPLEXION.** HUYDAN will establish a free circulation of pure blood and cause the cheeks to assume their natural color.

**A LOSS OF APPETITE AND SLEEVING IN THE STOMACH.** HUYDAN will clear the stomach and restore the appetite and the digestion of food will become perfect.

**A FEELING OF WEIGHT OVER THE LIVER.** This is due to the enlargement of the liver. It is filled with the poison of malaria. HUYDAN will drive out the poison and cause the organ to assume its natural size.

**HEAVINESS IN THE REGION OF THE SPLEEN.** The spleen becomes greatly enlarged. HUYDAN, by its direct action on the malarial poison, will loosen the congestion and cause the heaviness to disappear.

You are suffering from Chronic Malaria, and you can be cured. The relief is held out to you. It is HUYDAN. HUYDAN will relieve your every symptom and make you well. When you have used HUYDAN tell your friends what it has done for you. HUYDAN can be obtained of all druggists for 50c per package, or six packages for \$2.50.
